

PUBLIC CONSULTATION

The boards and the questionnaire will open after the consultation event on the 30th of January 2026.

We will close the consultation on the 12th February 2026 to allow time for the team to fully review and consider all responses ahead of preparing the planning application.

Please contact a member of the team with any queries (consultation@smithjenkins.co.uk), and if you cannot attend the consultation we would be happy to send you the boards once these are available.

Please see leaflet for details of the consultation event which is being held on the 29th January 2026.

PUBLIC CONSULTATION

You are invited to a public consultation event on **Thursday 29th January 2026**, held at **Berkhamsted Civic Centre** between **15:30 and 20:00** for the proposed residential development at Haslam Field and the replacement sports facilities at Haresfoot.

Laxton Properties, a Berkhamsted-based developer, has entered into agreement with Berkhamsted Schools Group to bring forward proposals on these two draft allocated sites (within the emerging Dacorum Local Plan).

- Haslam Field: a new residential development, comprising approximately 100 dwellings, a community building and public open space (to be managed by the Sunnyside Rural Trust, a local charity).
- Haresfoot Campus: sports pitches, a pavilion building and car park for Berkhamsted School to replace and improve the facilities currently provided at Haslam Field.

If you are unable to attend the in-person event, please use the link or QR code below to visit our website, which will provide details on the proposed developments and will provide the opportunity to feedback your comments.

If you have any further questions on the draft proposals, please do not hesitate to contact:
consultation@smithjenkins.co.uk
